FEDERAL SIGNAL

VISUAL SIGNALING SOLUTION

- Process Control
- Plant Safety
- Emergency Evacuation
- Audible/Visual
- Explosion Proof - Fire Alarm
- Hazardous Location - Status Indicators
- Panel Mount - Rotating Lights/Strobe Lights
- IEC & ATEX Rated - IP69K Options

Littelfuse®

FUSES & RELAYS

- Arc-Flash Protection
- Ground-Fault Relays
- UL Class Fuses
- Bluetooth Enabled Overload Relay
- Power Distribution Blocks

LAPP

INDUSTRIAL & FACTORY AUTOMATION

Engineered & Tested to be oil, coolant & chemical resistant

- Wire, Cable & Accessories
- Industrial Connectors
- Strain Relief Cable Glands
- Conduit & Accessories
- Cable Marking Systems
- Cable Chain
- OLFLEX Connect

INDUSTRIAL PRODUCT OFFERING

Industrial applications require cable that can withstand mechanical, environmental and chemical abuses.

- Tray Cable
- Instrumentation Cable
- Armored Cable
- Medium Voltage Cable
- High Temperature Cable
- Airguard Cable
- Variable Frequency Drive Cable
- Thermocouple Cable
- Portable Cord
- Welding Cable
- DLO
- Mining Cable

FIRE PROTECTION

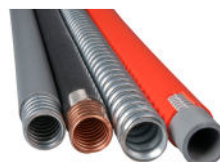

Stop the spread of fire, smoke & gasses

- EZ-Path Fire-Rated Pathway
- EZ-Path Retrofit Device
- EZ-Firestop Grommet
- SmokeBlock 136/200

FLEXIBLE ELECTRICAL CONDUIT LIQUATITE

- Jacketed Metallic
- Unjacketed Metallic
- Nonmetallic
- EMI/RFI Shielded
- Nylon-Corrlok
- Stainless Steel
- Cord Grips
- FMC Connectors

PURGE & PRESSURIZATION

- Enviro-Line series
- Environmental pressurization
- Nonhazardous areas that contain: dusty, dirty and corrosive atmospheres

LOW VOLTAGE POWER & GROUNDING CONNECTIONS

- Flexible Busbar-Copper Busbars
- Flexible Power Braids & Shunts - LV Insulators
- Grounding & Bonding Braids
- Distribution Blocks & Power Terminals
